

Orientation & Celebration Sign-In Sheet

July 15, 2026 • Last Names N – Z

Instructions: Find the student's first name and confirm their identity. Check the box to mark them arrived and record the parent/guardian name if present. If Photo Release shows **Pending**, hand them a release form and collect it before they leave. **No Photos** means the student has opted out — do not photograph. Signed releases go in the folder on the check-in table.
